Support Lake Lorelei Entrance Renovation!

A group of volunteers is trying to raise funds to renovate the entrance to Lake Lorelei. Above are renderings that depict conceptually the renovation project. Many friends and neighbors are devoting time and expertise to the project – but it will take money to complete. The goal is to raise at least \$20,000 through donations. Donations in any amount are greatly appreciated. If you are interested in making a donation,

please write a check payable to
"Front Entrance Renovation"
and mail it to, or drop it by, the office.

Lake Lorelei Property Owners Association
